

Willard NJROTC Booster Club

The Willard NJROTC Booster Club was established to support the Willard High School Navy Junior Reserve Officers' Training Corps (NJROTC) program. Membership is open to any individual, family, business, foundation or organization interested in assisting and encouraging the unit.

The Booster Club assists with activities such as the Military Ball, Awards and Promotions Ceremonies, leadership camps, drill meets, drill picnics and travel to various military bases both within the US and abroad. These activities enhance the NJROTC experience and the lives of the students.

Club meetings are generally held the 2nd Tuesday of each month in the NJROTC classroom at WHS. Please consider joining the club and supporting the unit financially and through volunteer services.

(Please return this portion)

Name of Cadet(s): _____

____ I/My family would like to financially support the unit as indicated below.

Name(s): _____

Email(s): _____

Phone number(s): _____
